Abbreviations: 8vo = octavo size or from 140mm to 240mm, ie normal size book, 4to = quarto approx 200mm x 300mm (or coffee table size); d/w = dust wrapper; pp = pages; **vg cond** = (which I thought was self explanatory) very good condition. Other dealers use a variety including 'fine' which I would rather leave to coins etc. **illus** = illustrations (as opposed to 'plates'); **ex lib** = had an earlier life in library service (generally public) and is showing signs of wear (these books are generally 1st editions mores the pity but in this catalogue most have been restored); **eps** + end papers, front and rear, **ex libris** or '**book plate**'; indicates it came from a private collection and has a book plate stuck in the front end papers. Books such as these are generally in good condition and the book plate, if it has provenance, ie, is linked to someone important, may increase the value of the book, **inscr** = inscription, either someone's name or a presentation inscription; **fep** = front end paper; the paper following the front cover and immediately preceding the half title page; **biblio**: bibliography of sources used in the compilation of a work (important to some military historians as it opens up many other leads). **or.cl.** = original cloth generally indicating there is no dust wrapper; **restored**; generally means a book has had the treatment by a book binder. New end papers, glued or sewn spine, even new boards. The value of rare books can be greatly enhanced if they are restored professionally. 'Back-yarders' should desist from attempting to restore books! There are many reputable binders around the place who will do a good job at a good price. By the way, the number that appears in brackets in the catalogue, ie (1814) is a data base number so no need to quote it when ordering.

Postage is always extra and insurance is available upon request. Overseas orders by credit card only. Postage will be by cheapest and most practical means possible unless otherwise requested. (In Australia, Express Post is the quickest and carefully handled by Australia Post. Express Post has increased to \$17 for a 3kg satchel (this includes everything OVER 500gms and under 3kg). So if you want it quick use Express—bit slower is the 3kg red satchel - \$15 which includes post pack and TLC).

Our terms for first-time buyers are 'payment up front'. Established buyers can pay by credit card, cheque, money order etc on receipt of an invoice.

World War 2 1939-1945	18

Winter has arrived here in 'sunny' Perth. Much needed rain at last. Our beautiful Hyde Park lake near our house is again filling up. It was looking pretty dire there towards the end of summer and the birds are back in multitudes. A new family of swans is again present with the cranky parents attacking people as they walk along the path. So...welcome to Catalogue 193. This list is quite large with many 'new' titles and some scarce unit histories. Our book SIMMO is still on sale for \$65 (discounted for members) plus postage- I had a box of 11 signed by Mark Donaldson, VC for inclusion in this list but they went like hot cakes. As soon as word got out they swooped. So sorry about that. May we'll be able to get a few more done down the track. As for the mooted leather-bound edition, we are still in the 'mulling' phase, ie, mulling over whether we should do it or whether it's a viable option. I've had a couple of people interested but I'll need quite a few more to make the project viable. I remember we did 152 copies of our leather bound '*SAS A PICTORIAL HISTORY 1957-1997*' back in the day and they sold out immediately (if not sooner). It was unique because we did it in WA emu leather. I still have a roll of this leather and we may investigate and see how many SIMMOs we can get out of it. So it's a chicken and egg scenario, do we get 50 copies done and then try and sell them or do we wait for orders? They would be numbered and signed. But I can guarantee they will be of the highest quality and made in WA. I'm a WA O'phile with the attitude 'support our local businesses first'. So, let me know if you are interested to make the decision easier for me. I remember the movie about a book club of disparate authors and dreamers where this loud-mouth was the first to get his book published. In China. Problem was the cover which was supposed to consist of a rampant lion, had a cuddly little Pekinese and the blurb on the back was in Mandarin!! Disaster and hugely amusing but not for the author needless to say. These days with electronic transfer of all data, it's difficult to get it this wrong but I'd rather not take the risk. We dedicate the front cover picture to **Mark Donaldson, VC** who recently visited the ASASA (WA Br) House to sign a new portrait of him. And as always this catalogue is dedicated to all those servicemen who are in harms way or about to deploy and those who have been through the 'fog of war'. Go safely but carry a big stick! Cheers Mick and Jo
