**My Bookroom is open each day by appointment – preferably in the afternoons. Give me a call.**

**Abbreviations:** 8vo = octavo size or from 140mm to 240mm, ie normal size book, 4to = quarto approx 200mm x 300mm (or coffee table size); d/w = dust wrapper; pp = pages; **vg cond** = (which I thought was self explanatory) very good condition. Other dealers use a variety including 'fine' which I would rather leave to coins etc. **illus** = illustrations (as opposed to 'plates'); **ex lib** = had an earlier life in library service (generally public) and is showing signs of wear (these books are generally 1st editions mores the pity but in this catalogue most have been restored); **eps** = end papers, front and rear, **ex libris** or 'book plate'; indicates it came from a private collection and has a book plate stuck in the front end papers. Books such as these are generally in good condition and the book plate, if it has provenance, ie, is linked to someone important, may increase the value of the book, **inscr** = inscription, either someone's name or a presentation inscription; **fep** = front end paper; the paper following the front cover and immediately preceding the half title page; **biblio**: bibliography of sources used in the compilation of a work (important to some military historians as it opens up many other leads). **or.cl.** = original cloth generally indicating there is no dust wrapper; **restored**; generally means a book has had the treatment by a book binder. New end papers, glued or sewn spine, even new boards. The value of rare books can be greatly enhanced if they are restored professionally. 'Back-yarders' should desist from attempting to restore books! There are many reputable binders around the place who will do a good job at a good price. By the way, the number that appears in brackets in the catalogue, ie (1814) is a data base number so no need to quote it when ordering.

**Postage is always extra and insurance is available upon request. Overseas orders by credit card only. Postage will be by cheapest and most practical means possible unless otherwise requested. (In Australia, Express Post is the quickest and carefully handled by Australia Post. Express Post has increased to \$17 for a 3kg satchel (this includes everything OVER 500gms and under 3kg). So if you want it quick use Express—bit slower is the 3kg red satchel - \$15 which includes post pack and TLC).**

**Our terms for first-time buyers are 'payment up front'. Established buyers can pay by credit card, cheque, money order etc on receipt of an invoice.**

I apologise for the lack of catalogues issuing from this fair establishment but I've been banged up in Hollywood Hospital for these last 3 months with ENDOCARDITIS!!! It's a bug in the lining of the heart which has been very difficult to kill. After 95 odd days in hospital being drowned in anti-biotics, I'm now at home relaxing. The only way to do a catalogue is by being relaxed. Let's see what comes to pass over the next few weeks.

Our son Toby has started his new job at the State University of New York State Oswego. He is the Professor of Theatre, teaching everything to do with world theatre and history. He's also been appointed the 'Faculty Advisor for Rugby' which thrills him no end! His first session with the man-mountain rugby players was to show them how to tackle! Not sure they know much about the game up that way! They're all coming out here for our second-born's wedding in December. Georgia is marrying the indefatigable John Carter, as my grandmother would say 'a great catch'. My sister's mob are also jetting in from Sydney for the occasion. Should be a riot! What fun!

This list contain some very good titles as always. Good books are becoming difficult to find. When the old collectors pass on their families don't seem to have any idea of what to do with Grandads books. A lot of it ends up in the Save the Children sale (price between \$2 and \$4) or Vinnies or Sallies. Needless to say, the smarter ones ring me and I'm able to offer a realistic price allowing me to keep them in circulation. Many of the titles here have come through this process. The big worry for all book sellers is that it seems many people have dumped the idea of reading (or having) a book, they are more interested in the electronic format. And the amount of books converted into audio books grows exponentially. There is one title in this list which has been converted into a readable CD (SAS A Pictorial History by well...me! You can find it at #141). Kindle and various other devices may eventually make the book redundant. But not yet!! Many people still enjoy the smell of old books, the tactile feel etc. I think books will see me out.

As usual this list is dedicated to those of us in harm's way or suffering as a result. It's also dedicated the list to those participating in the INVICTUS GAMES. All power to your arms.

VIA CON DIOS Cheers Mick and Jo
