Glossary of Terms (and conditions)

Returns: books may be returned for refund within 7 days and only if not as described in the catalogue.

NOTE: If you prefer to receive this catalogue via email, let us know on info@imprimaturbooks.com.au

My Bookroom is open each day by appointment – preferably in the afternoons. Give me a call.

Abbreviations: 8vo = octavo size or from 140mm to 240mm, ie normal size book, 4to = quarto approx 200mm x 300mm (or coffee table size); d/w = dust wrapper; pp = pages; **vg cond** = (which I thought was self explanatory) very good condition. Other dealers use a variety including 'fine' which I would rather leave to coins etc. **illus** = illustrations (as opposed to 'plates'); **ex lib** = had an earlier life in library service (generally public) and is showing signs of wear (these books are generally 1st editions mores the pity but in this catalogue most have been restored); **eps** = end papers, front and rear, **ex libris** or 'book plate'; indicates it came from a private collection and has a book plate stuck in the front end papers. Books such as these are generally in good condition and the book plate, if it has provenance, ie, is linked to someone important, may increase the value of the book, **inscr** = inscription, either someone's name or a presentation inscription; **fep** = front end paper; the paper following the front cover and immediately preceding the half title page; **biblio**: bibliography of sources used in the compilation of a work (important to some military historians as it opens up many other leads). **or.cl.** = original cloth generally indicating there is no dust wrapper; **restored**; generally means a book has had the treatment by a book binder. New end papers, glued or sewn spine, even new boards. The value of rare books can be greatly enhanced if they are restored professionally. 'Back-yarders' should desist from attempting to restore books! There are many reputable binders around the place who will do a good job at a good price. By the way, the number that appears in brackets in the catalogue, ie (1814) is a data base number so no need to quote it when ordering.

Postage is always extra and insurance is available upon request. Overseas orders by credit card only. Postage will be by cheapest and most practical means possible unless otherwise requested. (In Australia, Express Post is the quickest and carefully handled by Australia Post. Express Post has increased to \$17 for a 3kg satchel (this includes everything OVER 500gms and under 3kg). So if you want it quick use Express—bit slower is the 3kg red satchel - \$15 which includes post pack and TLC).

Our terms for first-time buyers are 'payment up front'. Established buyers can pay by credit card, cheque, money order etc on receipt of an invoice.

Welcome to the October catalogue #203. You will be pleased to know that I am fighting fit and ready for anything. I'm a great enigma to the micro-biotics and cardio people. I've got to be fit for our daughters wedding and the Canadian tribe here for Christmas. Well on track!

This catalogue will hit the streets more or less on time, as I get back into the groove as it were. I very nearly didn't go ahead with this one out of respect for the 58 killed and over 500 wounded in Las Vegas. I thought initially this murderous piece of work must have been an ex military man given the armoury he brought to the hotel (how was he able to do that?) But no, he wasn't a trained soldier who saw too much action on various war fronts and had descended into the labyrinth of PTSD, no, just a loopy murderous civilian who then topped himself when the police arrived. Great mystery this. The WHY will probably never be established and it will continue to happen as long as Americans have unfettered access to semi-auto rifles. These are weapons designed purely to KILL PEOPLE and should be restricted to the military. The 2nd Amendment is becoming a veritable mill stone around the necks of the people and the NRA aren't going to allow any changes anytime soon. I'd like to think in Australia we are a little more sane after the Port Arthur disgrace. But there are those among us who could easily slip off the rails and commit another atrocity. So I decided to go ahead with this list in order to continue with our normal lives. The worst thing any of us could do is change of ways of life because some terrorist tool threatens us. It's the same with these Jihadist cretans. All we can do is remain alert and report suspicious activities. One thing's for sure our belief systems are being held in sharp focus. And the possibility that the Donald will do something about the NRA are pretty remote.

So to books. Quite a few titles that are new to this list and many old favourites for those who many have intended to buy it the last time it was listed and didn't get around to it. As usual the list is dedicated to our serving forces and those who have served and may not be doing well. Also to the 58 killed and hundreds wounded in Las Vegas. Stupidity writ large!! Stay safe my friends. **Mick and Jo**
