Abbreviations: 8vo = octavo size or from 140mm to 240mm, ie normal size book, 4to = quarto approx 200mm x 300mm (or coffee table size); d/w = dust wrapper; pp = pages; **vg cond** = (which I thought was self explanatory) very good condition. Other dealers use a variety including 'fine' which I would rather leave to coins etc. **illus** = illustrations (as opposed to 'plates'); **ex lib** = had an earlier life in library service (generally public) and is showing signs of wear (these books are generally 1st editions mores the pity but in this catalogue most have been restored); **eps** = end papers, front and rear, **ex libris** or '**book plate**'; indicates it came from a private collection and has a book plate stuck in the front end papers. Books such as these are generally in good condition and the book plate, if it has provenance, ie, is linked to someone important, may increase the value of the book, **inscr** = inscription, either someone's name or a presentation inscription; **fep** = front end paper; the paper following the front cover and immediately preceding the half title page; **biblio**: bibliography of sources used in the compilation of a work (important to some military historians as it opens up many other leads). **or.cl.** = original cloth generally indicating there is no dust wrapper; **restored**; generally means a book has had the treatment by a book binder. New end papers, glued or sewn spine, even new boards. The value of rare books can be greatly enhanced if they are restored professionally. 'Back-yarders' should desist from attempting to restore books! There are many reputable binders around the place who will do a good job at a good price. By the way, the number that appears in brackets in the catalogue, ie (1814) is a data base number so no need to quote it when ordering.

Postage is always extra and insurance is available upon request. Overseas orders by credit card only. Postage will be by cheapest and most practical means possible unless otherwise requested. (In Australia, Express Post is the quickest and carefully handled by Australia Post. Express Post has increased to \$17 for a 3kg satchel (this includes everything OVER 500gms and under 3kg). So if you want it quick use Express—bit slower is the 3kg red satchel - \$15 which includes post pack and TLC).

Our terms for first-time buyers are 'payment up front'. Established buyers can pay by credit card, cheque, money order etc on receipt of an invoice.

Welcome to Catalogue #207 April 2018. Apologies for missing my March list but we were a little distracted here at Malone command central with weddings (this time Sydney) and various other activities. Besides it was as hot as Hades and, as I get older, I don't do the heat very well. Still encumbered with various health problems, I tend to take it a bit easier nowadays. March was significant due to the forlorn state we find Cricket Australia (CA) in with our Test team suffering various humiliations in South Africa. I'm very disappointed in the actions of 'the leadership group' in the ball tampering saga and this includes the coaches. But I think CA's overreaction in banning three members for 9 months or more is astonishing. We should all now be concerned for these players welfare. They are humans with all accompanying frailties. My first thoughts were 'sack 'em all, forfeit the series and get them home'. This would allow things to calm down and the rebuilding (with new players) to commence. Instead we had this unedifying spectacle of 'trial by media'. And to think we've allowed our players to be lectured to by players who themselves have been found guilty of similar things in the past. CA has to take responsibility for where the buck stops IMO. There are more pressing matters in the world.

Other things – I'm not sure of what to make of the RSL's decision to ban vehicles from the ANZAC Day parade (not sure whether this is a particular city or a blanket ban). This is a real kick in the teeth for all those old diggers too infirm to march as they rely on these vehicles to participate. With luck the decision will be binned before it's too late. So...this list contains many great books as usual at very attractive prices. Many unit histories of WW1, WW2 and Vietnam are listed along with a section on 'the Boer War'. Some of these titles (such as the 1st ed Murray's) are now very scarce. As usual I dedicate this list to soldiers on Active Service and past diggers who may not be travelling very well. Don't forget, we are only a phone call away if assistance is required. Look after your family and mates, they're the real elements of life. Via con Dios Mick and Jo Perth
