## CATALOGUE 220

## JULY 2019

**Glossary of Terms (and conditions)**

**Returns:** books may be returned for refund within 7 days and only if not as described in the catalogue.

**NOTE:** If you prefer to receive this catalogue via email, let us know on info@imprimaturbooks.com.au

**My Bookroom is open each day by appointment – preferably in the afternoons. Give me a call.**

**Abbreviations:** 8vo = octavo size or from 140mm to 240mm, ie normal size book, 4to = quarto approx 200mm x 300mm (or coffee table size); d/w = dust wrapper; pp = pages; **vg cond** = (which I thought was self explanatory) very good condition. Other dealers use a variety including 'fine' which I would rather leave to coins etc. **Illus** = illustrations (as opposed to 'plates'); **ex lib** = had an earlier life in library service (generally public) and is showing signs of wear (these books are generally 1st editions mores the pity but in this catalogue most have been restored); **eps** + end papers, front and rear, **ex libris** or '**book plate**'; indicates it came from a private collection and has a book plate stuck in the front end papers. Books such as these are generally in good condition and the book plate, if it has provenance, ie, is linked to someone important, may increase the value of the book, **inscr** = inscription, either someone's name or a presentation inscription; **fep** = front end paper; the paper following the front cover and immediately preceding the half title page; **biblio**: bibliography of sources used in the compilation of a work (important to some military historians as it opens up many other leads). **or.cl.** = original cloth generally indicating there is no dust wrapper; **restored**; generally means a book has had the treatment by a book binder. New end papers, glued or sewn spine, even new boards. The value of rare books can be greatly enhanced if they are restored professionally. 'Back-yarders' should desist from attempting to restore books! There are many reputable binders around the place who will do a good job at a good price. By the way, the number that appears in brackets in the catalogue, ie (1814) is a data base number so no need to quote it when ordering.

**Postage is always extra and insurance is available upon request. Overseas orders by credit card only. Postage will be by cheapest and most practical means possible unless otherwise requested. (In Australia, Express Post is the quickest and carefully handled by Australia Post. Express Post has increased to \$17 for a 3kg satchel (this includes everything OVER 500gms and under 3kg). So if you want it quick use Express—bit slower is the 3kg red satchel - \$15 which includes post pack and TLC).**

**Our terms for first-time buyers are 'payment up front'. Established buyers can pay by credit card, cheque, money order etc on receipt of an invoice.**

Welcome to list #220, July 2019. As the dead of winter approaches here in Perth we wait the impending arrival of our Canadian family, Toby, Meg, Cormac and Brigid. Winter here will be a doddle for them as they are used to Canadian severe winters. But... their houses are all centrally heated whereas we just put on a house coat and a knee rug if required. Getting a great drop of rain here in Perth where we can go 6 months without even a drizzle. Hyde Park lakes are brimming with a multitude of water birds. What a place! My Canadian grandies love zooming around there on their scooters. As I write this we're expecting severe thunder storms followed by a lot of rain as we head into July. Just love it! The sporting world is awash with our wonderful female athletes nailing it. Ash Barty is the world #1 as she heads into Wimbledon, Sally Fitzgibbon is the worlds #1 female surfer and a Perth girl Hannah Green came from the clouds to win the USPGA! Gotta feel for the Matildas getting knocked out of the world cup so early. Sam Kerr blames herself of course – she missed a certain goal and that was that. And talking about let-downs, the Junior Wallabies were beaten by France 24-23 in the final of the Under 20s comp. Our goal kickers missed everything. Anyway, the big thing over here in the last week or so was the Rugby League State of Origin played between Qld and NSW (why come over here is a total mystery to me I'm afraid) at our new 'Barnett' Stadium. As an old NSW man I was thrilled to see NSW give Qld a monumental flogging 38-6. Talk about one-way traffic! 60,000 die-hard fans turned out in pouring rain to see this spectacle. Not me I'm afraid, I'm a Rugby Union man and lean slightly towards Aussie Rules as I get older.

Anyway to books. This list contains many gems and many I've never listed before. It is such a thrill to find them when they pop up and getting them at a good price is always pleasing. There's a new Kiwi SAS book in the 'Special Forces' section called 'SHOOTING FROM THE SHADOWS' - it concerns 4Tp NZSAS in Vietnam with 2 and 3 Sqns SASR (my old unit). And there I am, in the text on a bridge demolition patrol. I hadn't thought much about that patrol over the years but seeing it in this book brought the memories flooding back. Been 50 years since we were there 'duckin n' divin' as it were. One of the stalwarts of that Tour died here last week, Tony Haley, BEM. He was a much feared RSM when I arrived in '67, took a commission and went to Vietnam as the Ops Offr. Lovely man. RIP Tony. And we again dedicate this list to those above ground but aren't travelling too well. Heads up boys, we are here for you. Via con Dios Cheers
