Abbreviations: **8vo** = octavo size or from 140mm to 240mm, ie normal size book, **4to** = quarto approx 200mm x 300mm (or coffee table size); **d/w** = dust wrapper; **pp** = pages; **vg cond** = (which I thought was self explanatory) very good condition. Other dealers use a variety including 'fine' which I would rather leave to coins etc. **Illus** = illustrations (as opposed to 'plates'); **ex lib** = had an earlier life in library service (generally public) and is showing signs of wear (these books are generally 1st editions mores the pity but in this catalogue most have been restored); **eps** + end papers, front and rear, **ex libris** or '**book plate**'; indicates it came from a private collection and has a book plate stuck in the front end papers. Books such as these are generally in good condition and the book plate, if it has provenance, ie, is linked to someone important, may increase the value of the book, **inscr** = inscription, either someone's name or a presentation inscription; **fep** = front end paper; the paper following the front cover and immediately preceding the half title page; **biblio**: bibliography of sources used in the compilation of a work (important to some military historians as it opens up many other leads). **or.cl.** = original cloth generally indicating there is no dust wrapper; **restored**; generally means a book has had the treatment by a book binder. New end papers, glued or sewn spine, even new boards. The value of rare books can be greatly enhanced if they are restored professionally. 'Back-yarders' should desist from attempting to restore books! There are many reputable binders around the place who will do a good job at a good price. By the way, the number that appears in brackets in the catalogue, ie (1814) is a data base number so no need to quote it when ordering.

Postage is always extra and insurance is available upon request. Overseas orders by credit card only. Postage will be by cheapest and most practical means possible unless otherwise requested. (In Australia, Express Post is the quickest and carefully handled by Australia Post. Express Post has increased to \$17 for a 3kg satchel (this includes everything OVER 500gms and under 3kg). So if you want it quick use Express—bit slower is the 3kg red satchel - \$15 which includes post pack and TLC).

Our terms for first-time buyers are 'payment up front'. Established buyers can pay by credit card, cheque, money order etc on receipt of an invoice.

Welcome to the **20% off Christmas catalogue – #225**. Been a long haul over these last 28 years, and in that time we've offered over 70,000 quality military books for sale in catalogues such as this, on-line, drop-ins at the book room and military fairs. What a ride! I've got to learn about all the military campaigns in modern history. I've been a keen student of them all throughout my entire life and it was only natural that I would one day pick up the cudgel and start selling military books. And I can thank Ken White in Canberra back in the '80s for alerting me to the prospects of this wonderful resource. Back in the day old Ken used to put out a great list every month or so which contained many of the holy grails of book collecting – such as the Idriess 'Guerrilla' series (5 flimsy books) which, if you can find them, can now fetch up to \$5,000 in mint condition!! No kidding! All the 1st edition WW1 1st AIF unit histories were plentiful back in Ken's day and there are still a few kicking around (in this list for instance). But they are becoming very scarce and collectors should leap in and grab them at the first opportunity. The 2nd AIF histories are more plentiful but not by much. And some of the Vietnam war histories are very hard to find. We only fielded 9 battalions in that stoush and most of them did 'two tours' but some of their histories are now hard to find. (see the Vietnam list herein) Signed copies go for a premium of course. They will never (never say never!) reach the 'holy grail' status of Idriess but some of them are heading that way – such as "SEVEN IN SEVENTY" - a photographic summary of the 7RAR 1st tour. They didn't print many of these and the one's that survive are not in particularly good condition but they still fetch big money if one can be located. And the early edition of the 3RAR book 'OLD FAITHFUL' can also attract big money. In essence all of the 1st editions of the nine RAR battalions are sought after. Of course all of these gems should be in mint condition and signed by the author or principal members of the unit.

So, as we head in to Christmas, we pause to think of our families and mates and make sure we check up on them and ensure they're travelling well. Case in point is Terry (Callan) Flynn, who was burnt out in Kempsey NSW in the recent conflagration up there. He's lucky (his words) as he has insurance to cover his losses (which are extreme and total) but there are others among the 50 or so who lost their properties who had NO insurance and are now on the bones of their proverbials. Terry says he witnessed the incredible humanity of the people of Kempsey. Too many fall through the cracks at this time of festivity. It is up to us to support them when and how we can. As usual this list is dedicated to those on active service and those who are suffering as a result of their service.
