Abbreviations: 8vo = octavo size or from 140mm to 240mm, ie normal size book, 4to = quarto approx 200mm x 300mm (or coffee table size); d/w = dust wrapper; pp = pages; **vg cond** = (which I thought was self explanatory) very good condition. Other dealers use a variety including 'fine' which I would rather leave to coins etc. **Illus** = illustrations (as opposed to 'plates'); **ex lib** = had an earlier life in library service (generally public) and is showing signs of wear (these books are generally 1st editions mores the pity but in this catalogue most have been restored); **eps** = end papers, front and rear, **ex libris** or 'book plate'; indicates it came from a private collection and has a book plate stuck in the front end papers. Books such as these are generally in good condition and the book plate, if it has provenance, ie, is linked to someone important, may increase the value of the book, **inscr** = inscription, either someone's name or a presentation inscription; **fep** = front end paper; the paper following the front cover and immediately preceding the half title page; **biblio**: bibliography of sources used in the compilation of a work (important to some military historians as it opens up many other leads). **or.cl.** = original cloth generally indicating there is no dust wrapper; **restored**; generally means a book has had the treatment by a book binder. New end papers, glued or sewn spine, even new boards. The value of rare books can be greatly enhanced if they are restored professionally. 'Back-yarders' should desist from attempting to restore books! There are many reputable binders around the place who will do a good job at a good price. By the way, the number that appears in brackets in the catalogue, ie (1814) is a data base number so no need to quote it when ordering.

Postage is always extra and insurance is available upon request. Overseas orders by credit card only. Postage will be by cheapest and most practical means possible unless otherwise requested. (In Australia, Express Post is the quickest and carefully handled by Australia Post. Express Post has increased to \$17 for a 3kg satchel (this includes everything OVER 500gms and under 3kg). So if you want it quick use Express—bit slower is the 3kg red satchel - \$15 which includes post pack and TLC).

Our terms for first-time buyers are 'payment up front'. Established buyers can pay by credit card, cheque, money order etc on receipt of an invoice.

Welcome to catalogue #230, post ANZAC Day 2020. Even though most of us were confined to barracks because of this COVIS 19 bug, we celebrated the day in a most wonderful way. Thousands of people stood out on their doorsteps, driveway and balconies at 6am with candle in hand and welcomed the sun. It was a great way to remember the thousands who have given their lives in the service of this country and it may well be my celebration of choice in the following years. I think my days of prancing down the Terrace with a bunch of ratbag mates is long passed. Besides, who wants to get dressed up, festooned with bling? Also it was a week when I celebrated my 73rd birthday (27th). With social distancing in vogue, it was dinner for four around here with my daughter and her husband. The rules are beginning to be relaxed here in WA with gatherings of up to 10 now allowed. We've had only 8 deaths here in WA which seems to indicate a serious 'flattening of the curve'. We may well be leading the pack here in Australia although we will not speak too soon. We must remember what happened in 1918-19 when thousands died of Spanish Flu in 1918 and when they thought it was defeated they suffered a severe surge in 1919 which took thousands more. I feel a lot of good will come from this pandemic. People are starting to think of their families, neighbours and friends again whereas pre pandemic we were all heads down and bum up, getting on with our own little lives in our own little bubble. This is probably the wake-up call we all deserved. I've heard from many long-term mates that I hadn't heard from for yonks. And I've phoned, emailed, texted many more. Well done all, keep it up. Again this list contains many gems, many listed before and others new to the stage, I'm sure there will be plenty for all tastes. As usual, this list is dedicated to those in the firing line – soldiers, police, ambos, nurses, doctors, hospital staff et al. Thank you one and all. Via Con Dios **Mick & Jo**
