**Abbreviations:** 8vo = octavo size or from 140mm to 240mm, ie normal size book, 4to = quarto approx 200mm x 300mm (or coffee table size); d/w = dust wrapper; pp = pages; **vg cond** = (which I thought was self explanatory) very good condition. Other dealers use a variety including 'fine' which I would rather leave to coins etc. **Illus** = illustrations (as opposed to 'plates'); **ex lib** = had an earlier life in library service (generally public) and is showing signs of wear (these books are generally 1st editions mores the pity but in this catalogue most have been restored); **eps** + end papers, front and rear, **ex libris** or '**book plate**'; indicates it came from a private collection and has a book plate stuck in the front end papers. Books such as these are generally in good condition and the book plate, if it has provenance, ie, is linked to someone important, may increase the value of the book, **inscr** = inscription, either someone's name or a presentation inscription; **fep** = front end paper; the paper following the front cover and immediately preceding the half title page; **biblio**: bibliography of sources used in the compilation of a work (important to some military historians as it opens up many other leads). **or.cl.** = original cloth generally indicating there is no dust wrapper; **restored**; generally means a book has had the treatment by a book binder. New end papers, glued or sewn spine, even new boards. The value of rare books can be greatly enhanced if they are restored professionally. 'Back-yarders' should desist from attempting to restore books! There are many reputable binders around the place who will do a good job at a good price. By the way, the number that appears in brackets in the catalogue, ie (1814) is a data base number so no need to quote it when ordering.

**Postage is always extra and insurance is available upon request. Overseas orders by credit card only. Postage will be by cheapest and most practical means possible unless otherwise requested. (In Australia, Express Post is the quickest and carefully handled by Australia Post. Express Post has increased to \$17 for a 3kg satchel (this includes everything OVER 500gms and under 3kg). So if you want it quick use Express—bit slower is the 3kg red satchel - \$15 which includes post pack and TLC).**

**Our terms for first-time buyers are 'payment up front'. Established buyers can pay by credit card, cheque, money order etc on receipt of an invoice.**

Catalogue #232 comes in the middle of a reasonably cool winter. Lovely to see a bit of good rain in these parts. Our favourite lake has been replenished and the bird life is abundant. Being locked down at home for so long has suited me perfectly as it has Jo although she misses the personal interaction with her mates. But...it is what it is. We've been very responsible in the main here in WA except for the thousands of protestors who decided to do their own thing here in the city. Luckily at this stage there hasn't been an outbreak of CV19 as a result. Victoria is a different scene though with many new cases reported daily. I'm not sure what these people don't get about contagion. It doesn't take much to spread an infectious disease like this. We were planning to spend Christmas in the Canadian snow with Toby and his family but I'm not sure that will happen. We may only be able to get as far as Tasmania with our daughter Georgia. We'll see what pans out over the next few months. We were looking forward to travelling across the Canadian Rockies by train at least once in my life. Maybe next year!. If we get to Canada it will be a shame to not drop down to the States to catch a show on Broadway and visiting Toby's university in up-state New York but the way things are looking the States will not be accessible by anyone. The unrest all over the States is most disconcerting with no end in sight. Not sure how they can deal with it short of bringing in the troops and declaring many areas as no-go. But of course that would play right into the very suspect antifa hands. So...I hope our American friends can stay safe throughout this mayhem. And so to books. There are many great books in this list, well priced and in fine condition. Where possible dust wrappers are in protective mylar/library-quality covers. It's a pity so many good books can only be found in card covers (paperback) as many serious collectors search for good hard backs in dust wrappers. But that's purely an economic decision by the publishers to allow as many people as possible to buy them. At the moment we're working on a leather-bound edition of our very successful "**SIMMO**", limited to 50 numbered and signed copies (only a few left!). At **A\$150** a fine book and well worth collecting. If interested you can order from this catalogue (see the front cover). Once they're gone that's the end of it. We still have a few hard backs available and will also have a paperback version available in a month or two extremely well priced. As usual this catalogue is dedicated to those among us who aren't doing so well especially veterans who are struggling to transition to a peaceful civilian life. Via con Dios M&J
