Abbreviations: 8vo = octavo size or from 140mm to 240mm, ie normal size book, 4to = quarto approx 200mm x 300mm (or coffee table size); **d/w** = dust wrapper; **pp** = pages; **vg cond** = (which I thought was self explanatory) very good condition. Other dealers use a variety including 'fine' which I would rather leave to coins etc. **Illus** = illustrations (as opposed to 'plates'); **ex lib** = had an earlier life in library service (generally public) and is showing signs of wear (these books are generally 1st editions mores the pity but in this catalogue most have been restored); **eps** = end papers, front and rear, **ex libris** or **'book plate'**; indicates it came from a private collection and has a book plate stuck in the front end papers. Books such as these are generally in good condition and the book plate, if it has provenance, ie, is linked to someone important, may increase the value of the book, **inscr** = inscription, either someone's name or a presentation inscription; **fep** = front end paper; the paper following the front cover and immediately preceding the half title page; **biblio**: bibliography of sources used in the compilation of a work (important to some military historians as it opens up many other leads). **or.cl.** = original cloth generally indicating there is no dust wrapper; **restored**; generally means a book has had the treatment by a book binder. New end papers, glued or sewn spine, even new boards. The value of rare books can be greatly enhanced if they are restored professionally. 'Back-yarders' should desist from attempting to restore books! There are many reputable binders around the place who will do a good job at a good price. By the way, the number that appears in brackets in the catalogue, ie (1814) is a data base number so no need to quote it when ordering.

Postage is always extra and insurance is available upon request. Overseas orders by credit card only. Postage will be by cheapest and most practical means possible unless otherwise requested. (In Australia, Express Post is the quickest and carefully handled by Australia Post. Express Post has increased to \$17 for a 3kg satchel (this includes everything OVER 500gms and under 3kg). So if you want it quick use Express—bit slower is the 3kg red satchel - \$15 which includes post pack and TLC).

Our terms for first-time buyers are 'payment up front'. Established buyers can pay by credit card, cheque, money order etc on receipt of an invoice.

Welcome to Catalogue #233, August 2020. The dead of winter here in lovely Perth is quite mild in comparison to the places our kids live – Tasmania and Canada! We had intended to be in Canada for Christmas with the grandies but the lock-down has thwarted our plans. In the past our Canadian trip also meant we could slip down to the States and catch a few shows on Broadway and the odd base-ball game. But...it is what it is and nothing can be done. As for Tassie, it's also pretty difficult to get to. It means a 14 day quarantine at both ends and that's not for me. I'm happy for the virus to run its course before I go anywhere. It's hard to imagine the stupidity of certain people especially in Victoria. Surely a red flag would have gone up when these people ignored the health advice and carried on regardless. And I feel for old people in nursing homes who are being treated quite shabbily in some cases. The WA Government has done a remarkable job in keeping the border clammed shut. I know it's not good for the tourist industry but it keeps us safe and West Aussies are dusting off the caravans and heading out to WA destinations. And what if this virus escapes into our indigenous communities? Chaos would then surely ensue. So keep up the good work Mark McGowan. The good thing about being locked-down is that book sales have blossomed remarkably. Buying books on line has never been better. Long may it last (book selling not the virus!!). Many people have predicted the demise of books due to the internet etc but I don't see that. This catalogue goes out to a lot of enthusiastic book buyers and my prices are generally lower than many walk-in bookshops (although less out there now – mores the pity). In Perth we are very limited in actual second-hand book shops. The ones that remain trading are great – I try and visit them weekly (when I'm not confined to barracks). There is no shortage of millennials doing their bit by opening book shops of their own. It's the best fun! And the ideal business to set up for your old age. We've been going 30 years now and it's all good. Finding good stock is still a challenge but they're out there if one has the patience to look. As usual this catalogue is dedicated to veterans who aren't travelling well and the current service and front line health personnel. We are always there for you. Via con Dios M&J
