Abbreviations: 8vo = octavo size or from 140mm to 240mm, ie normal size book, 4to = quarto approx 200mm x 300mm (or coffee table size); d/w = dust wrapper; pp = pages; **vg cond** = (which I thought was self explanatory) very good condition. Other dealers use a variety including 'fine' which I would rather leave to coins etc. **Illus** = illustrations (as opposed to 'plates'); **ex lib** = had an earlier life in library service (generally public) and is showing signs of wear (these books are generally 1st editions mores the pity but in this catalogue most have been restored); **eps** + end papers, front and rear, **ex libris** or '**book plate**'; indicates it came from a private collection and has a book plate stuck in the front end papers. Books such as these are generally in good condition and the book plate, if it has provenance, ie, is linked to someone important, may increase the value of the book, **inscr** = inscription, either someone's name or a presentation inscription; **fep** = front end paper; the paper following the front cover and immediately preceding the half title page; **biblio**: bibliography of sources used in the compilation of a work (important to some military historians as it opens up many other leads). **or.cl.** = original cloth generally indicating there is no dust wrapper; **restored**; generally means a book has had the treatment by a book binder. New end papers, glued or sewn spine, even new boards. The value of rare books can be greatly enhanced if they are restored professionally. 'Back-yarders' should desist from attempting to restore books! There are many reputable binders around the place who will do a good job at a good price. By the way, the number that appears in brackets in the catalogue, ie (1814) is a data base number so no need to quote it when ordering.

Postage is always extra and insurance is available upon request. Overseas orders by credit card only. Postage will be by cheapest and most practical means possible unless otherwise requested. (In Australia, Express Post is the quickest and carefully handled by Australia Post. Express Post has increased to \$17 for a 3kg satchel (this includes everything OVER 500gms and under 3kg). So if you want it quick use Express—bit slower is the 3kg red satchel - \$15 which includes post pack and TLC).

Our terms for first-time buyers are 'payment up front'. Established buyers can pay by credit card, cheque, money order etc on receipt of an invoice.

Welcome to Catalogue 236 November 2010. A burst of summer heat then raining like cats and dogs. It was ever thus. Sunday in lovely Perth is something for which we are ever grateful. The PICA Vernissage last night was most impressive and the red wine flowed. I was most interested in the Caravaggio-like '*Narcissus in Metamorphosis*' trio of framed photos by a NZ/NSW artist, Angela Tiatia but the prices are a bit rich for my budget. Nice to look at though. A week or so back we lost one of our great mates and an SASR legend in ADRIAN BLACKER, aged 74 who succumbed to a nasty illness to do with his heart and lungs. Adrian served two tours in Vietnam with 2 SAS Sqn and was on 'the tractor job' with SAS legends Frank Cashmore and Danny Wright which always gave him legitimacy with the younger soldiers. He and I lived in an old house in Cottesloe in the early 70s and was there when I met the love of my life, Jo. He was a huge influence on the physical development of many young boys and girls and was a total legend at Cottesloe Rugby where we held his funeral. There were over 300 in attendance with the old and bold from Swanbourne and Cottesloe everywhere plus another couple of hundred online from far and wide. Great camaraderie followed in the club and we sent him off in fine style. **Vale Adrian, RIP mate.** There are many new books making their debut appearance in this list. The two I'm most delighted with are the Idriess duo that are featured on the cover. The complete 'GUERRILLA SERIES' of 6 books are what I consider as the 'holy grail' of Australian military book collecting. The complete set in mint condition (if they can ever be found) can sell upwards of \$8,000 and probably more at auction. As the complete set rarely sees the light of day, building a set from scratch is the only option. And here is your chance to do just that. Also, we've produced a card-cover version of SIMMO at \$32. It's a beautifully produced book. The original hard-back is also available at \$60 and we are at last running short of them. Also John Gartner's excellent bio THE FADING LIGHT (\$45) is still available as is Robyn McBride's OUT OF THE AMMO BOX (\$65). As usual this list is dedicated to recent lost members Adrian Blacker, Kevin Logan, Dick Kluczniak and others still above ground but not travelling well. Via can Dios Mick & Jo
